

Dear Parents/Guardians

We hope that you are well and keeping warm.

Please note that this work does not need to be printed and all you will need are a few sheets of paper. We have added extra resources onto Microsoft Teams, please allow your child to go through the work.

We may be returning to school on the 6<sup>th</sup> of July 2020. Therefore, this will be the last week of homework as well as online teaching to allow the children to rest before returning to school. We have put plans in place and they will be communicated to you very soon. Please note that this is subject to change.

We will be doing 'Show and Tell' on Monday 29 June 2020 during the online lessons. Please ensure that your child has something to show the class. This can be a toy, special object, interesting skill, favourite book or anything else that they would like to show and discuss with the class.

Home Language : English

Parents/guardians, please draw the following table. Allow the learners to complete the table, sound out and read the words. Ask the learners to identify "i" sound.

Draw a picture		Day 1	Day 2	Day 3	Day 4	Day 5
	pip					
	sit					
	fix					
	six					
	tin					
	pin					
	zip					
	bin					

Allow the children to read the story and answer the questions.

### Pip

Pip likes to sit and fix things. She has six tins. She keeps her pins and zips in the tins. She took Tim's bib out of the bin to fix it.

Who likes to sit and fix things?

How many tins does Pip have?

What does Pip keep in the tins?

### First Additional Language: Afrikaans

Teken 'n rooi reghoek. (Draw a red rectangle.)

Teken 'n pienk hart.

Teken 'n blou vierkant.

Teken 'n geel ster.

Teken 'n groen sirkel.

Teken 'n oranje driehoek.

### Mathematics

Count in ones forward and backwards 0-80

Count forward in fives 0- 50

Count in tens forwards and backwards 0-100

(Use the number chart for guidance)

$4 + 3 =$

$5 + 4 =$

$6 + 3 =$

$6 - 2 =$

$8 - 1 =$

$9 - 7 =$

Bonds of 8:

$0 + 8 = 8$		+	oooooooo
$1 + 7 = 8$	o	+	oooooooo
$2 + 6 = 8$	oo	+	oooooo
$3 + 5 = 8$	ooo	+	ooooo
$4 + 4 = 8$	oooo	+	oooo
$5 + 3 = 8$	ooooo	+	ooo
$6 + 2 = 8$	oooooo	+	oo
$7 + 1 = 8$	ooooooo	+	o
$8 + 0 = 8$	oooooooo	+	

Word Problems : Please read these out to your child. Allow them to draw a picture and write the sum to work out the answer.

Jenny has 6 dolls. Her mum gives her 5 more. How many dolls does Jenny have now?

Billy bakes 8 muffins on Monday. He bakes 4 more on Tuesday. How many muffins did Billy bake altogether?

Jim has 9 grapes. He eats 2 at first break and 4 at second break. How many grapes does Jim have left?

DBE Blue Books

DBE Blue Books may be completed at the learners own pace. Please encourage learners to read the sentences in the Home Language book daily.

Kind regards

The Grade One Team
