

After watching the PowerPoint presentations, complete these activities across all the subjects.

English Concept: Verbs

Rewrite the sentences and thereafter circle the verbs in each sentence:

E.g. The dog fetches the stick.

1. Fred pushed the swing for his little sister in the park.
2. The ground staff at school installed new windows in the computer lab.
3. Last night, mom baked a cake and a dozen chocolate chip cookies.
4. Melissa and her brother played at the park until supper.
5. Ethan picked up the ball and threw it to Christopher at break.
6. All the students ran outside when the bell rang for break.
7. The hairdresser used his scissors to cut the woman's hair.
8. All the children ate their cupcakes at the birthday party.

There are two words underlined in the following sentences.
Rewrite and identify the noun with an “N” and the verb with a
“V”.

V N

E.g. Ibrahim hid the key under the welcome mat.

1. Joshua entered the room quietly.
2. After dinner, the boys completed their homework.
3. Jane walked her dog to the park after school.
4. The girls played with their mother's make up.
5. The athletes gathered around their coach.
6. The squirrel climbed rapidly up the tree.
7. The students at that school wear a uniform.
8. The teacher read the entire book.

The "th" sound activity:

Rewrite and complete the sentences by adding the correct word that begins with "th" from the box below.

1. I'm sure _____ would love to go to the park with you.
2. Ouch! That _____ just pricked me.
3. What is another word for melt? _____
4. I heard there was a big _____ at the store last night.
5. What is that _____ you're holding?
