Theme: Friends

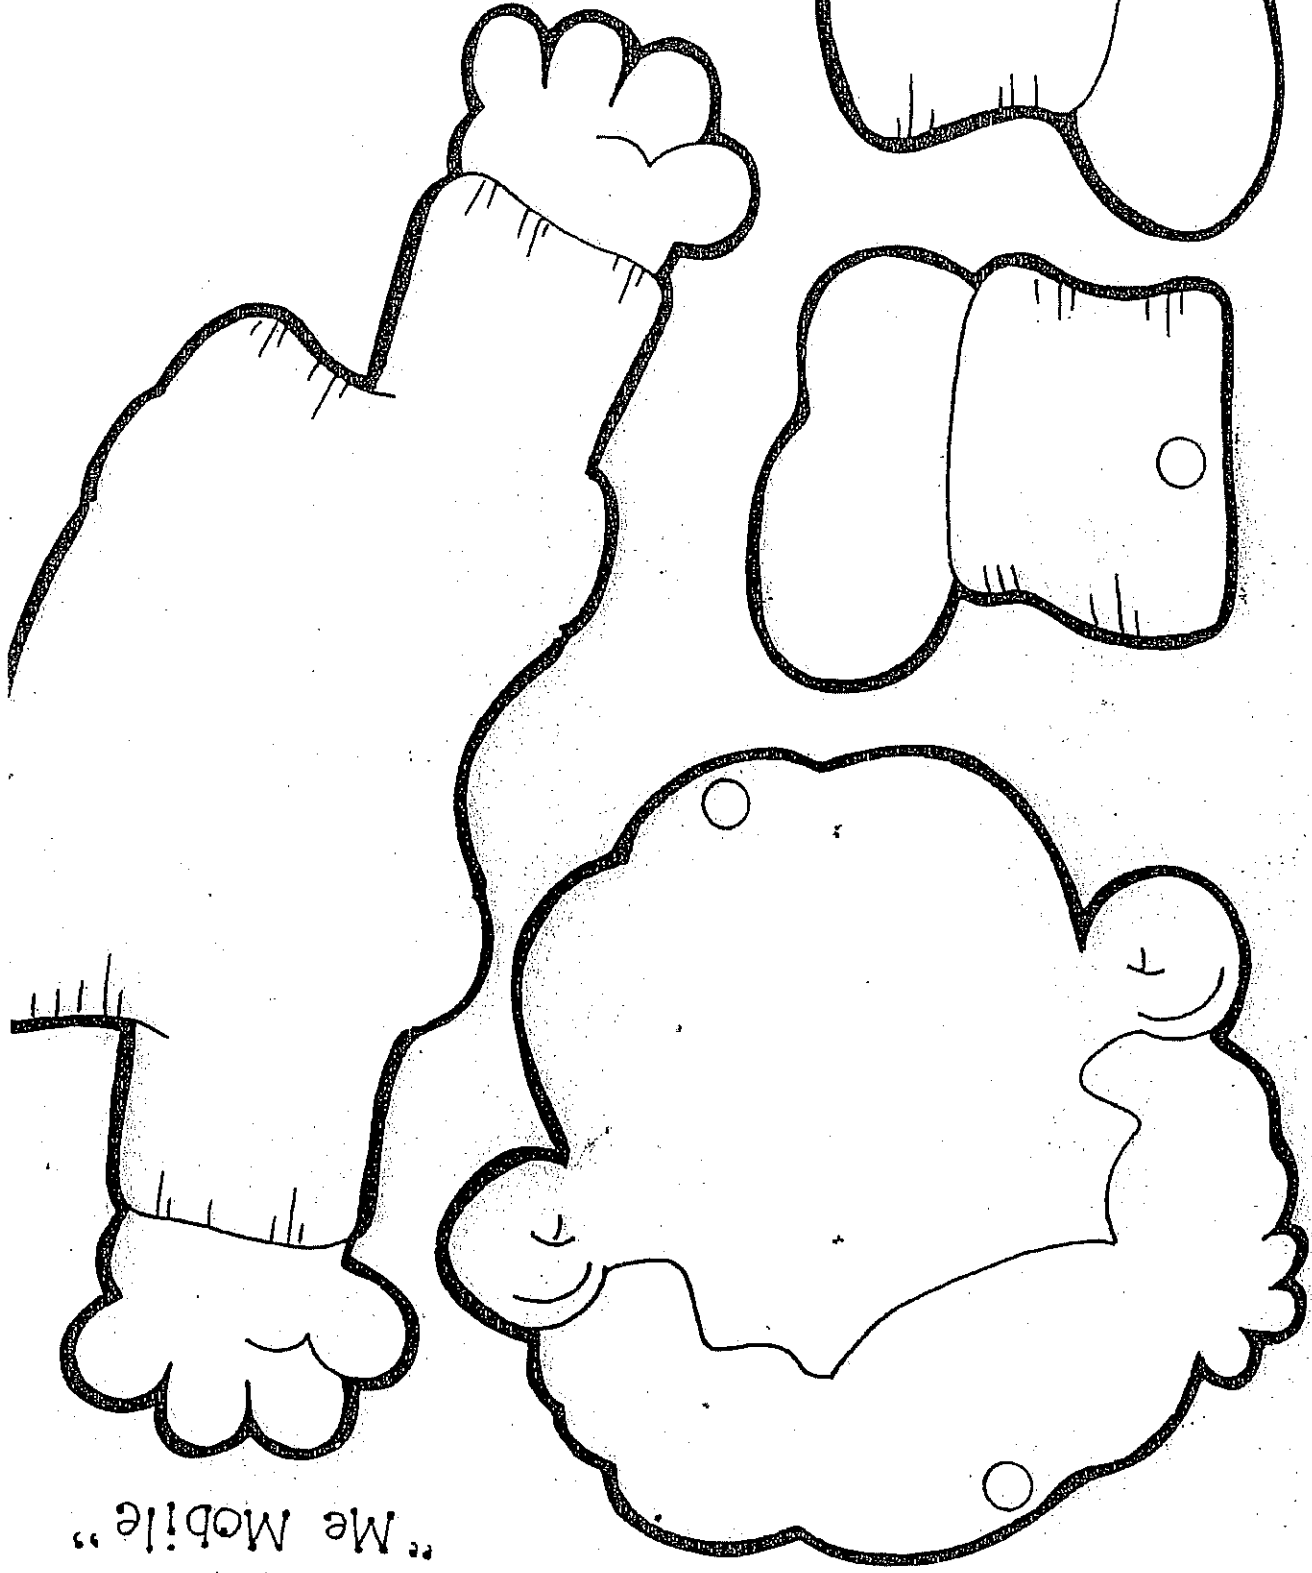

What a fun way to build self esteem
Have child draw own face and color
clothes. Attach head and legs to bc
using small pieces of yarn or paper
clips.

“Me Mobile”

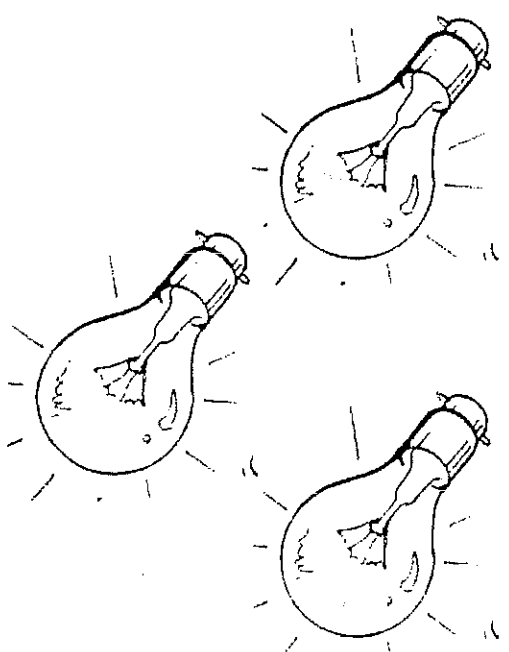

What a fun way to build self esteem!
Have child draw own face and color
clothes. Attach head and legs to bod
using small pieces of yarn or paper
clips.

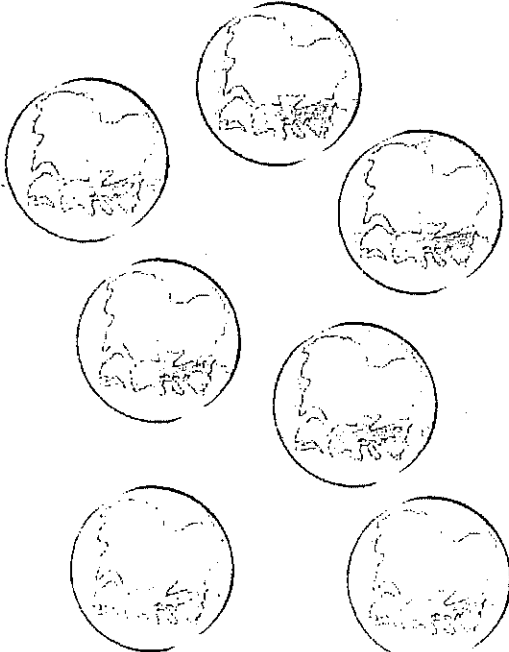

“Me Mobile”

Count. Circle the number.

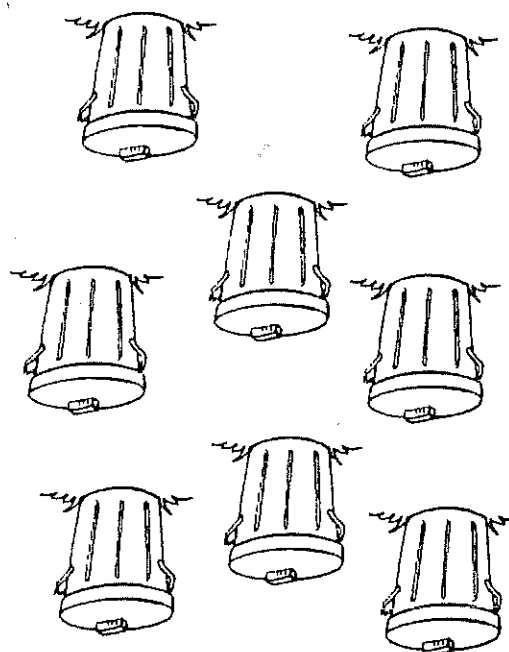

3 4 5 6 9

Three light bulbs are shown, each with short lines radiating from it to indicate that they are glowing. They are arranged in a triangular pattern: one at the top, one at the bottom left, and one at the bottom right.

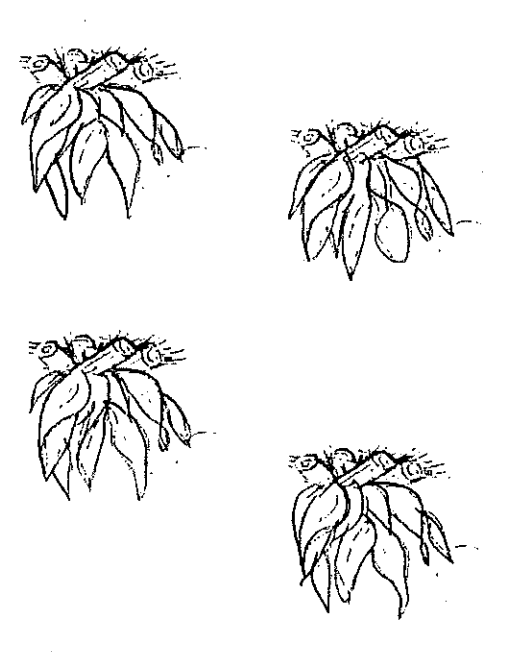

6 7 8 9

Eight mangoes are shown, each with a stem and a small leaf. They are arranged in two columns of four. The mangoes in the left column are slightly larger than those in the right column.

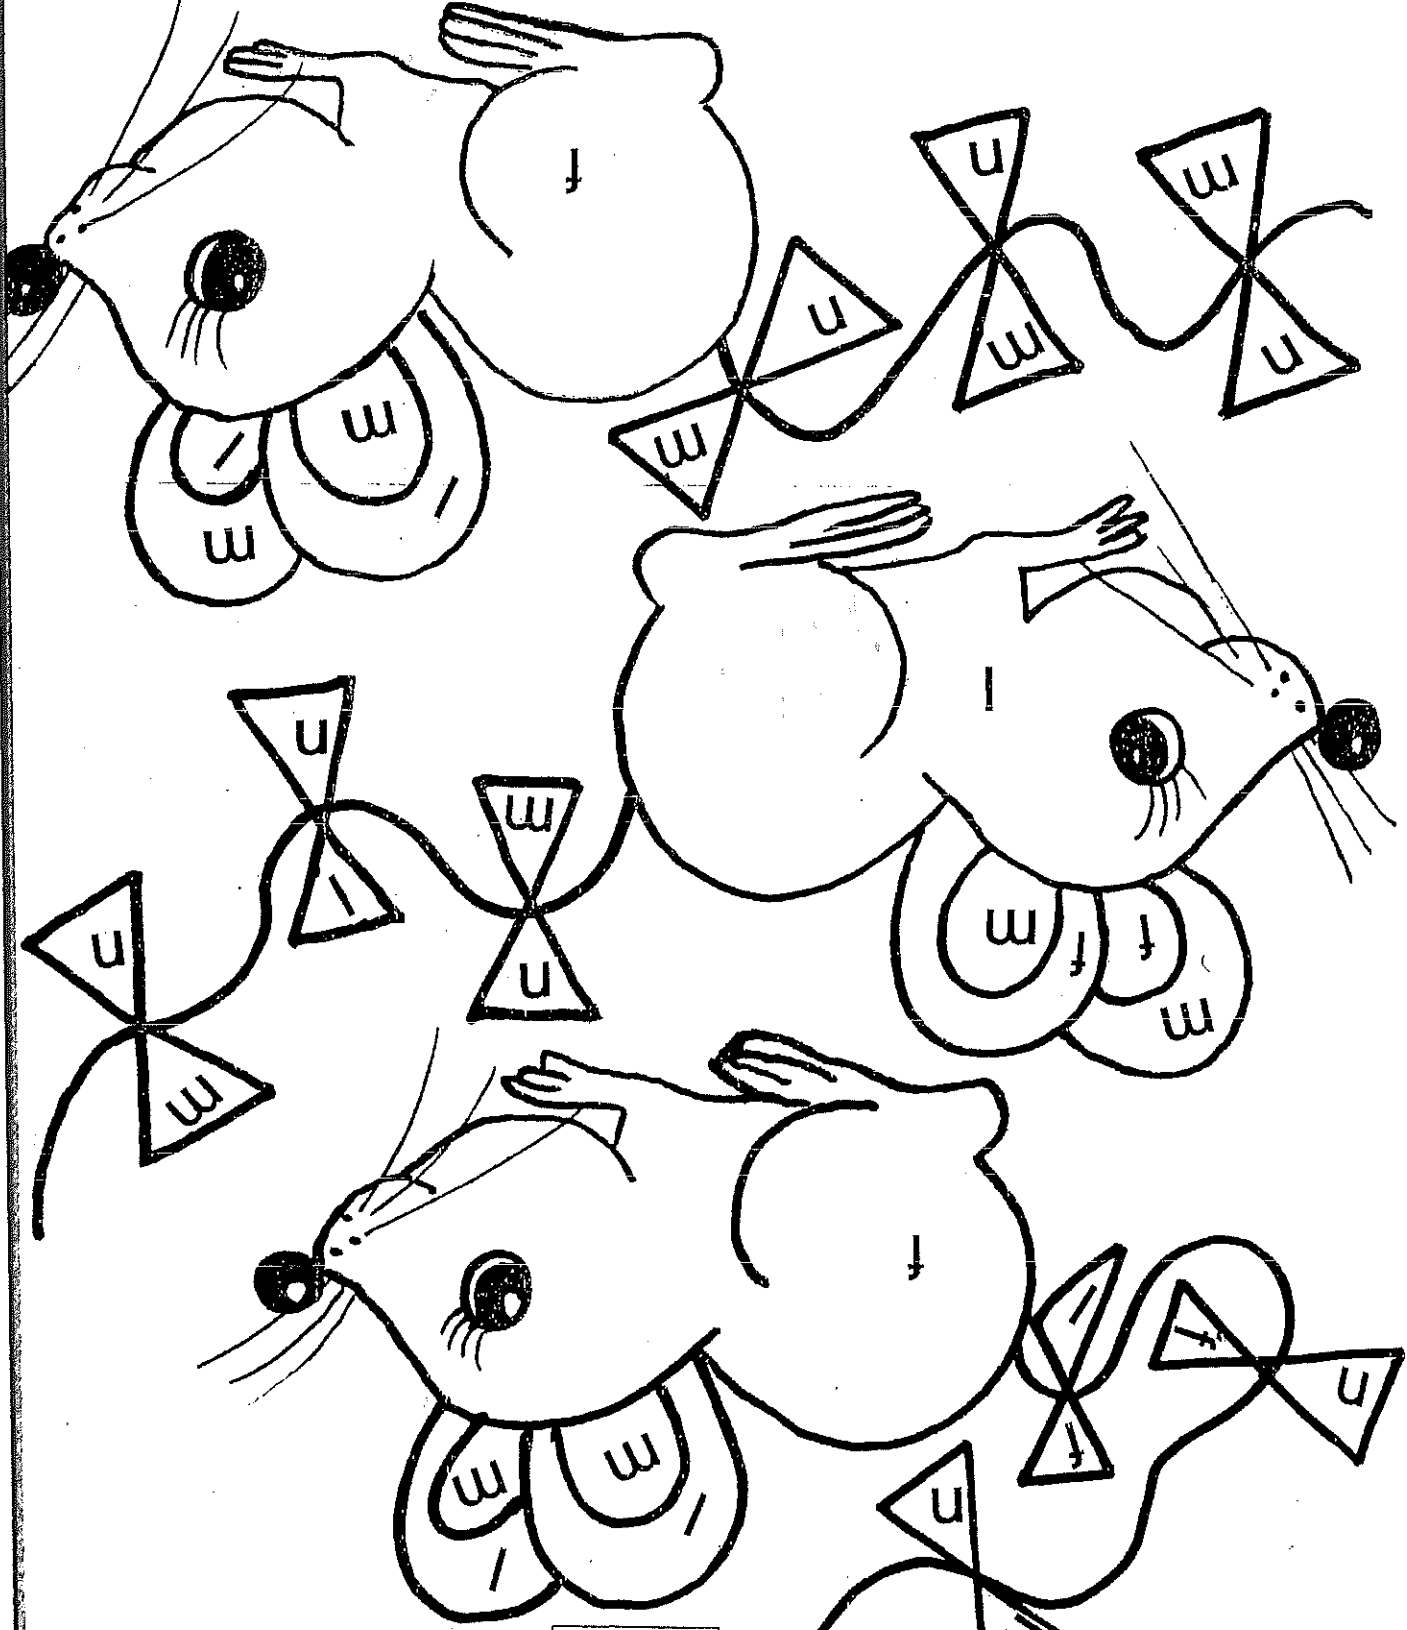

7 8 9 10

Nine drums are shown, arranged in three rows of three. Each drum has a cylindrical body with vertical lines and a flat top with a small knob in the center.

2 3 4 5

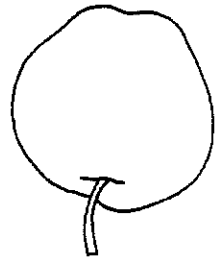

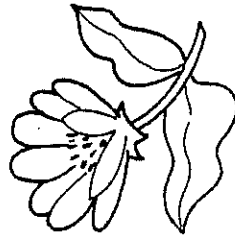

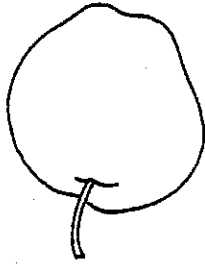

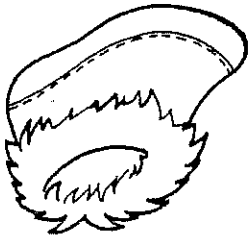

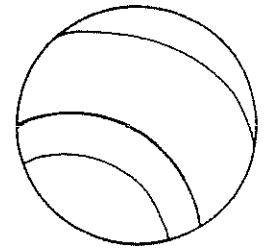

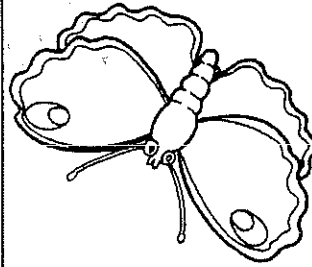

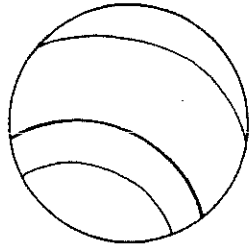

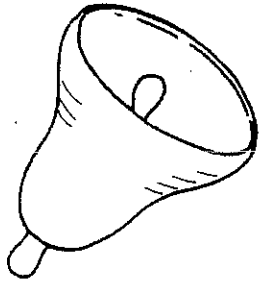

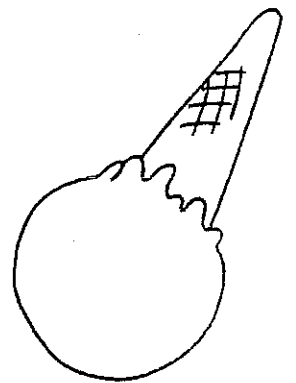

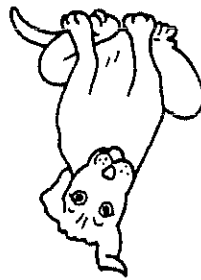

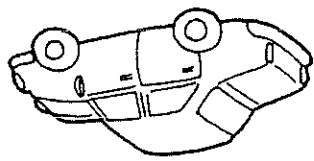

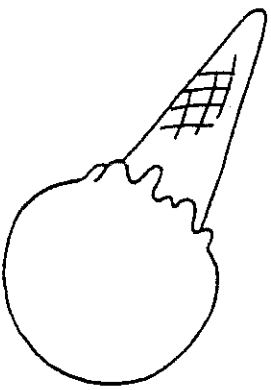

Four bunches of grapes are shown, arranged in two rows of two. Each bunch consists of several leaves and a small cluster of grapes at the top.

m=red f=brown n=blue l=grey

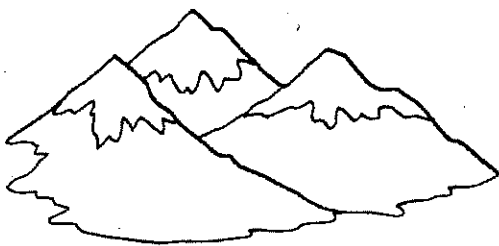

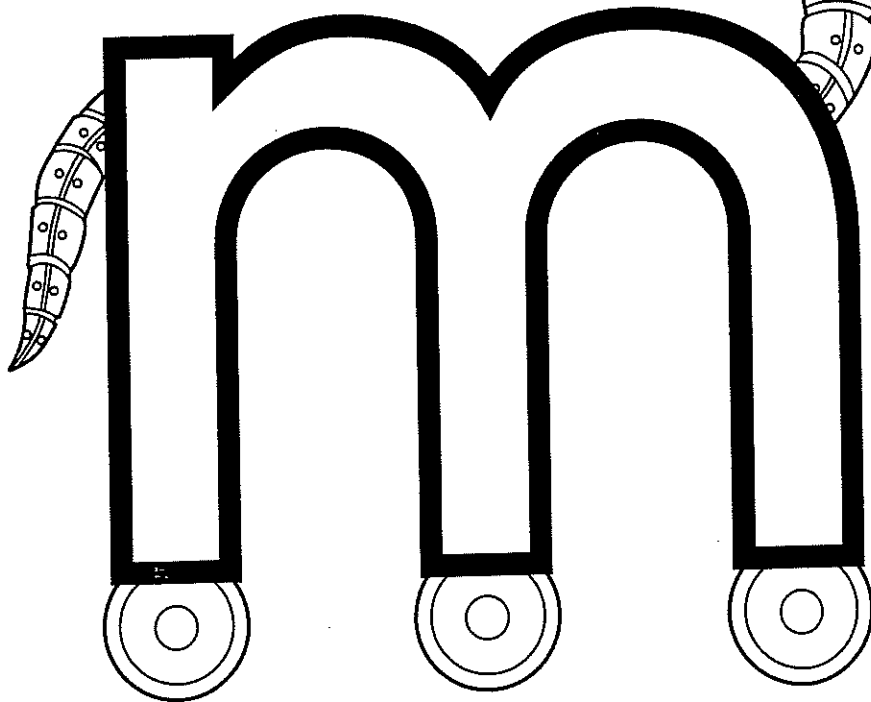

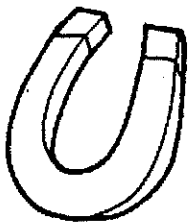

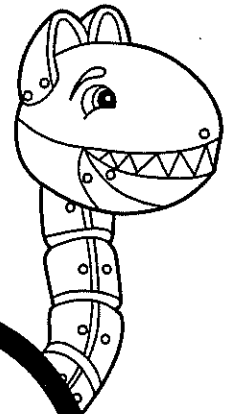

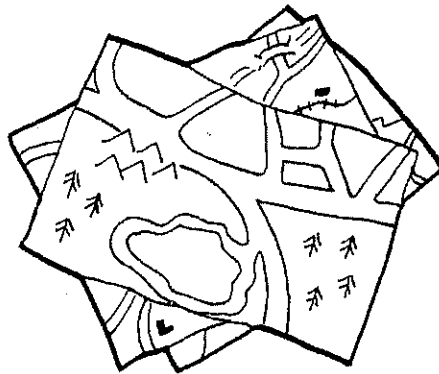

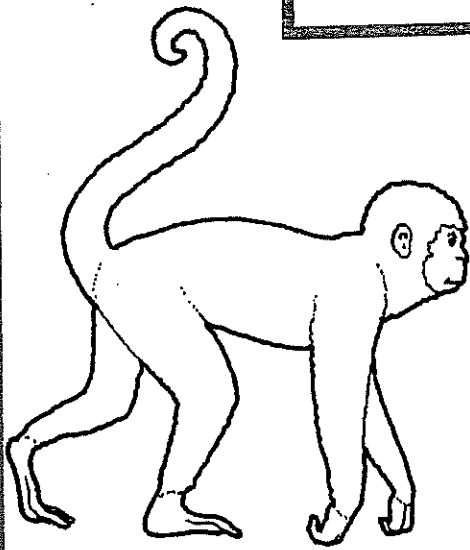

m for mice

Which two objects in each row look alike? Colour both the same way.

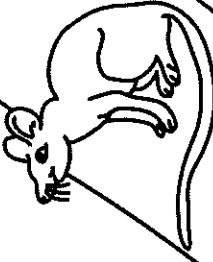

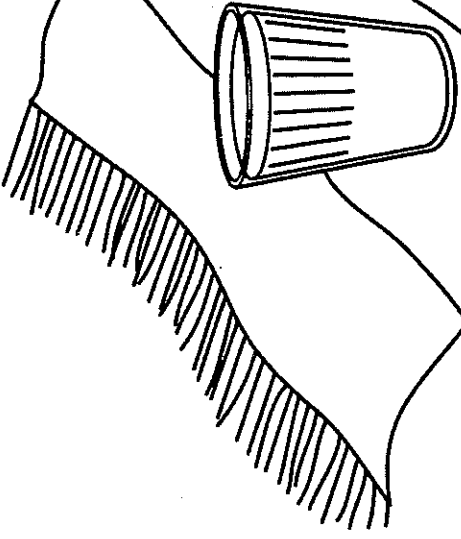

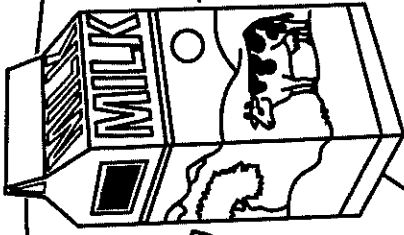

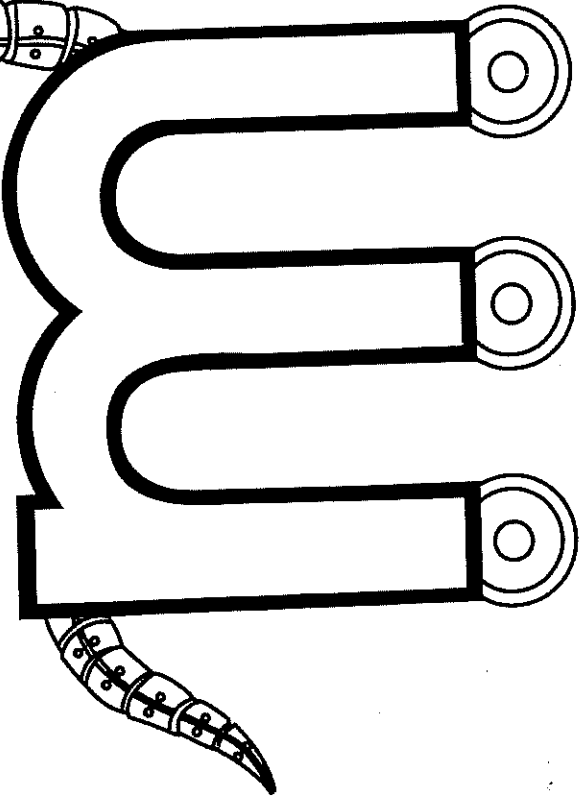

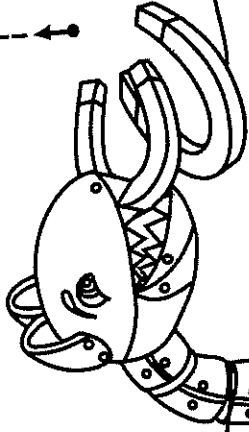

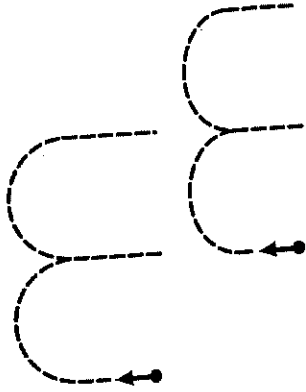

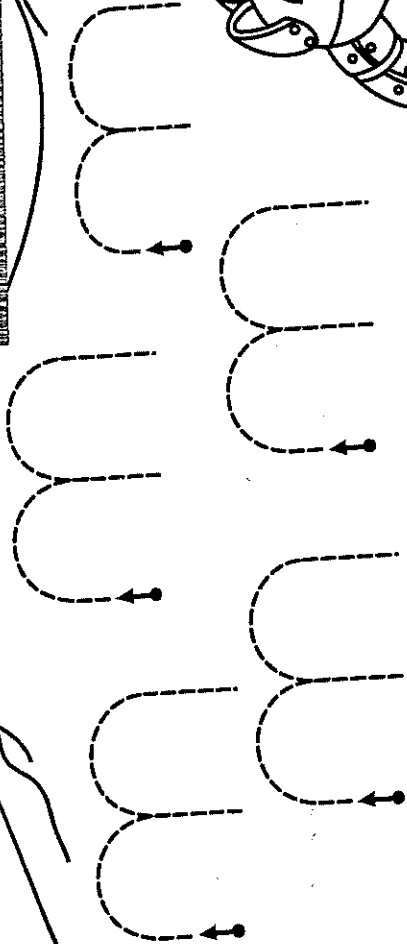

Munching Mike
